

**FORGE: SHORT FILM DEVELOPMENT LAB & FUND APPLICATION FORM.**

Please answer the following questions and return to [grants@bradford2025.co.uk](mailto:grants@bradford2025.co.uk) along with your project script and/or treatment and completed 'About You' form.

**1. Basic information (no word limit)**

- *Your name(s)*
- *Pronouns*
- *Contact phone number*
- *Email address*
- *Postal address*
- *Any access or communication needs*

**2. About you (written, video or audio – 250 words max or 2 minutes)**

- *Your role on this project (Writer or Director, or Writer/Director)*
- *Details of the project team (including roles) if you are applying as a team*
- *Your link to Bradford District e.g. live here, work here, are from here; if you are applying as a team, please outline the teams' link to Bradford District*
- *Any experience, passion or previous projects relevant to this filmmaking*
- *Links to your previous creative work, such as short films, writing samples or visual artwork. If you are working with a producer you should include links to their previous work too. You should provide some brief context as to why you've included each link: for example, the work is similar in tone to that of the proposed project*

**3. Your project outline (written, video or audio – 500 words max or 5 minutes)**

- *What the work is about and/or the ideas it explores; what makes up your narrative (story, world, characters) and why you want to tell this story*
- *What genre is it -fiction or documentary (also horror, drama, coming of age etc)*
- *If you have done any work on developing your project idea already (have you done any visual teasers, for documentary have you secured access or met with any characters)*
- *Why you would like to take part in this development lab and what it means for you and your project*

**4. Please attach a script for works of fiction or treatment for documentary to your application here**
